

FIERCE WEDNESDAYS

Hey FIERCE Mama,

Welcome to the FIERCE Wednesdays newsletter, where I provide weekly tips and stories to help burned-out moms find purpose and love life. I do this every other week through my FIERCE methodology, which you can read in four minutes or less. Each tip/story will fall into one of my six-step FIERCE methodology steps. Click [here](#) to learn more about the FIERCE methodology.

Can you think of someone who may benefit from these positive weekly words of encouragement? Please forward this email along.

Life often feels like walking a tightrope, balancing our dreams, fears, hopes, and doubts.

But what if I told you there's a safety net beneath that tightrope? Would that change how you approach it?

Imagine this: you're walking on that tightrope, imagining what lies below and what could happen if you slip and fall, making the tightrope walk seem daunting. Yet, there's a sturdy and reliable safety net beneath you. So why the fear? Why the hesitation?

In our journey through life, we're often held back by the fear of the fall. We question the reliability of the safety net. We hesitate, we doubt, we worry. But what if we remembered that we're not alone on this tightrope? What if we embraced the truth that there's something greater within us?

I attended the Impact live conference, an amazing experience with a beautiful community of faith-based women entrepreneurs. I was reminded of Psalm 46:5, which says, "God is within her; she will not fall." This powerful verse encapsulates the essence of courage rooted in faith. It's a reminder that we're never alone in our journey. Whatever tightrope we're walking, whatever dreams we're pursuing, we carry a divine presence, a safety net that cannot fail.

So why do we fear? Why do we doubt? The moral of the story is clear: be brave. Take that bold step forward, knowing that you're supported from within. Yes, you may stumble. You may slip. But within you lies the strength to rise again, keep walking, and pursue your dreams.

What dream is calling out to you? What tightrope are you hesitant to walk? Take a moment to reflect on the safety net beneath you. Feel the courage welling up from within. It's time to embrace boldness. It's time to step out in the direction of your dreams, knowing that you cannot fail.

Take that brave step. Walk your tightrope confidently, knowing God is within you, guiding your every move. The journey may be challenging, but you're destined for greatness with faith as your safety net.

As we navigate the tightropes of life, let's remember the words of Psalm 46:5. Let's embrace the courage that comes from knowing that God is within us. Let's step boldly toward our dreams, trusting in the safety net beneath us.

Until next time, stay brave, stay bold, and keep walking your tightrope with faith as your guide.

If you'd like to discuss navigating the tightrope of life or how to step into your assignment, [let's schedule a quick call](#). Together, we can navigate the challenges and celebrate the triumphs that lie ahead.

Stay FIERCE,

Ugochi
